Re: F. J. Doyle Salvage Superfund Site (SSID 061D), Leonard, Fannin County, Texas 75452

Dear Sir/Madam:

The U.S. Environmental Protection Agency (EPA) seeks cooperation from Louisiana Power & Light Company, LLC in providing information and documents relating to the F. J. Doyle Salvage Superfund Site (Site), 905 North Poplar Street, Fannin County, Leonard, Texas. Obtained information will aid the EPA in its investigation of the release or threat of release of certain hazardous substances, pollutants or contaminants at this Site. Your response will also help the EPA develop a better understanding of activities that occurred at the Site.

This information request is not a determination that you are responsible or potentially responsible for contamination that occurred at the Site. The EPA is sending this letter as part of its investigation of the Site and does not expect you to pay for or perform any site-related activities at this time. If the EPA determines that you are responsible or potentially responsible for response activities at the Site, you will receive a separate letter clearly stating such a determination, as well as, the EPA's basis for such determination.

The Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) Section 104(e), 42 U.S.C. § 9604(e), gives the EPA the authority to require the respondent to respond to this information request (see Enclosure 1). We encourage you to give this matter your full attention, and we respectfully request you to respond to this request for information within thirty (30) calendar days of receipt of this letter. You may designate another official with the requisite authority to respond on behalf of yourself. **However, failure to respond to this information request may result in the EPA seeking penalties of up to \$55,907 per day of violation.** In addition, furnishing false, fictitious or fraudulent statements or representations is subject to criminal penalty under 18 U.S.C. § 1001.

Please provide a written response to Mr. David Eppler, Enforcement Officer, at the address included in the Information Request. Please refer to Enclosure 2 for important instructions and definitions and Enclosure 3 for specific questions that require your response to this Information Request. If you have any questions regarding this letter, contact Mr. Eppler at (214) 665-6529. For legal questions concerning this letter, please have your legal counsel contact Mr. Leonard Schilling, at (214) 665-7166. Thank you for your attention to this matter.

Sincerely yours,

Ben Banipal, P. E., Chief
Technical and Enforcement Branch
Superfund Division

F. J. DOYLE SALVAGE SUPERFUND SITE INFORMATION REQUEST

RESPONSE TO INFORMATION REQUEST

Under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), commonly known as the federal "Superfund" law, the U.S. Environmental Protection Agency (EPA) responds to the release or threat of release of hazardous substances, pollutants or contaminants into the environment to stop additional contamination and to clean-up or otherwise address any prior contamination.

The EPA is requesting information under CERCLA Section 104(e). Section 104(e) may be found in the United States Code (U.S.C.) at Title 42 Section (section is denoted by the symbol "§") 9604(e), 42 U.S.C. § 9604(e).

Pursuant to the authority of CERCLA §104(e), you are hereby requested to respond to the enclosed information request. If you have any questions concerning the F. J. Doyle Salvage Superfund Site (Site) or this information request letter, please contact Mr. David Eppler, the Enforcement Officer for the Site, at phone number (214) 665-6529, fax number (214) 665-6660, or via email at eppler.david@epa.gov. Please mail your response within 30 calendar days of your receipt of this request to the following address:

Mr. David Eppler, Enforcement Officer
Superfund Enforcement Assessment Section (6SF-TE)
U.S. EPA, Region 6
1445 Ross Avenue
Dallas, TX 75202-2733

If you or your attorney has legal questions that pertain to this information letter request, please contact Mr. Leonard Schilling at phone number (214) 665-7166, fax number (214) 665-6460 or via email at schilling.leonard@epa.gov. For contact via mail, use the following address:

BACKGROUND INFORMATION

The Site is a former metal recycling facility, which handled electrical transformers and other electrical components of various sizes and construction.

The PCB contaminated soil at the Site occupies an area approximately one third of an acre in size, located southwest of State Highway 69, at the southwest corner of Cottonwood and Poplar Streets. The EPA conducted a removal action on the Site beginning on November 5, 2018, removing and disposing of PCB contaminated soils and building elements.

F. J. DOYLE SALVAGE SUPERFUND SITE INFORMATION REQUEST

INSTRUCTIONS and DEFINITIONS

1. Please provide a separate narrative response for each and every Question and subpart of a Question set forth in this Information Request.
2. Precede each answer with the Question (or subpart) and the number of the Question (and the letter of a subpart of a Question, if applicable) to which it corresponds.
3. If information or documents not known or not available to you as of the date of submission of a response to this Information Request should later become known or available to you, ***you must supplement*** your response to the U.S. Environmental Protection Agency (EPA). Moreover, should you find, at any time, after submission of your response, that any portion of the submitted information is false or misrepresents the truth, or, though correct when made, is no longer true, you must notify the EPA of this fact as soon as possible and provide the EPA with a corrected response.
4. For each document produced in response to this Information Request, indicate on the document, or in some other reasonable manner, the number of the Question (and the letter of a subpart of a Question, if applicable) to which it responds.
5. You may assert a business confidentiality claim covering part or all of the information which you submit in response to this request. Any such claim must be made by placing on (or attaching to) the information, at the time it is submitted to the EPA, a cover sheet or a stamped or typed legend or other suitable form of notice employing language such as "trade secret," "proprietary," or "company confidential." Confidential portions of otherwise non-confidential documents should be clearly identified and may be submitted separately to facilitate identification and handling by the EPA. If you make such a claim, the information covered by that claim will be disclosed by the EPA only to the extent, and by means of the procedures, set forth in subpart B of 40 CFR Part 2. If no such claim accompanies the information when it is received by the EPA, it may be made available to the public by the EPA without further notice to you. The requirements of 40 CFR Part 2 regarding business confidentiality claims were published in the Federal Register on September 1, 1976, and were amended September 8, 1976, and December 18, 1985.
6. Personal Privacy Information; Personnel and medical files, and similar files the disclosure of which to the general public may constitute an invasion of privacy should be segregated from your responses, included on separate sheet(s), and clearly marked as "Personal Privacy Information."
7. Objections to questions; Regardless of any objections you may have to some or all the questions within this Information Request Letter, you are still required to respond to each of the questions.

DEFINITIONS

The following definitions shall apply to the following words as they appear in this enclosure:
